

PARENT DONATION FORM

“The more closely we consider the elaborate interplay of brain and body, the more clearly one compelling theme emerges; movement is essential to learning. Movement awakens and activates many of our mental capacities. Movement integrates and anchors new information and experience into our neural networks.” ~Carla Hanaford.

Research shows that ACTIVE and DYNAMIC classrooms encourage brain power and effective learning, with that being said _____ [school or classroom name] would like to offer you a chance to DONATE toward the purchase of WittFitt movement-oriented products for your child in his/her _____ grade classroom. ANY amount is greatly appreciated!

Please complete the information below and enclose a check payable to: _____

Return the order portion below and your check to school by: _____

What are the benefits of “active” sitting and standing while learning?

- Provides a dynamic, flexible and student-centered environment
• Optimizes attention and concentration
• Releases good chemicals to wake the brain
• Increases circulation to the body, especially the brain
• Strengthens core (postural) & back muscle groups
• Promotes proper posture
• Improves balance and coordination

Accessories not included.
