

Classroom Challenge: Engaging all learners

WittFitt Solution: Flexible, active products

Why? Classroom design **DOES** affect learning!

Classroom Challenge: Effectively implementing my new products

WittFitt Solution: Our Learning In Motion Program

Why? Our team is comprised of teachers, so we get it and we care about your students.

We Offer:

- 30 min. phone product orientation
- Implementation support (i.e. teacher & student education)
- Classroom design consultation
- Virtual staff training (s)
- Unlimited access to WittFitt Team via phone and e-mail
- WittFitt Connection online resource (lessons, tips, manuals, videos & more)
- Assistance securing funding for future orders
- Our expertise to guide you through product questions, new situations that arise or simply for tips/tricks that help your classroom run smoothly
