

Learning in Motion

AlphaBetter® Standing Desks

A dynamic, movement oriented classroom means allowing students to stand throughout the day. These work stations provide both storage and a swing bar for convenience and comfort.

Original

NEW! (2.0 version)

Same great quality as the original with an updated, sleek design

Features:

- Designed for students in grades 3-12
- Durable laminated top (gray or dry erase) & steel frame
- Optional lower shelf provides additional storage for supplies & books
- Footrest Bar allows natural movement while standing at desk
