

## WittFitt REWARD Program

**WittFitt is starting a MOVEMENT...want to be part of it?!**

Considering you have already invested in WittFitt products, you understand the impact of movement in the classroom and I want your help spreading the word!

The best way for this concept to spread is by teachers like YOU who love WittFitt products and who are passionate about sharing the benefits. Many of you probably already talk about and share WittFitt with your colleagues already, so why not earn products for your classroom. It's a WIN-WIN.

WittFitt has the opportunity to IMPACT more students and YOU gain more active products for your own students to enjoy!

**What's in it for ME?**

When we receive an order from a teacher you referred to us...you receive a COMPLEMENTARY WittFitt ACTIVE product. YES, it is that simple!

**How do I participate?**

**STEP #1: Decide who you will share with**

The possibilities are endless:

- Staff in your building
- Staff in your district
- Family/friends - locally or out of state- who work in schools

**STEP #2: Decide how you want to share**

Ideas:

- Talk to staff in your building one-on-one
- Present at a small group meeting or even a full staff meeting
- Invite interested teachers to visit your room, experience products and talk with students

### **STEP #3: Decide what you feel is most effective to share**

Ideas:

- WittFitt Learning in Motion Podcast
  - [Spotify](#)
  - [Apple](#)
  - [iHeart Radio](#)
- WittFitt Website: [www.wittfitt.com](http://www.wittfitt.com)
- Funding ideas page: <https://www.wittfitt.com/fundraising-ideas/>
- One of your WittFitt products for others to experience
- A mini video you make of the students in your room using the WittFitt products

### **STEP #4: Log your activity on the Google Doc provided by WittFitt**

WittFitt will email you a Google Doc where you can track what teachers and schools you have reached out to, how you shared, and the results. This helps you keep organized and it gives WittFitt visibility on your progress such that we are able to support you along the way. **\*\*PLEASE** remind the teacher to let WittFitt know that YOU referred them **WHEN** they place the order.

### **STEP #5: Ask for help, support or suggestions from WittFitt [if needed]**

WittFitt will provide:

- Hard copies of flyers upon request
- A team member to be on the phone to answer questions in a meeting you set up
- Unlimited emails/phone calls with you to answer questions, give ideas, or talk through a classroom scenario
  - reach out to our WittFitt Team for ANY support you need:
